Resolution 2: To approve the 2018 Directors’ Remuneration Report (other than the policy) for the year ended 30 September 2018

In accordance with the provisions of the UK Companies Act 2006 (the “Companies Act”), the Directors’ Remuneration Report in the 2018 Report and Accounts contains:

- a statement by Varda Shine, Chair of the Company’s Remuneration Committee; and
- the annual implementation report on remuneration, which sets out payments made in the financial year ended 30 September 2018.

The statement by the Remuneration Committee Chair (page 91 of the 2018 Report and Accounts) and the annual implementation report on remuneration (pages 92 to 101 of the 2018 Report and Accounts) will, as in the past, be put to an annual advisory shareholder vote by ordinary resolution. The Company’s auditors, KPMG LLP, have audited those parts of the Directors’ Remuneration Report which are required to be audited and their report is issued in the 2018 Annual Report and Accounts.

The Directors’ remuneration policy, which sets out the Company’s forward looking policy on Directors’ remuneration, was approved at the AGM in 2018 and will not be subject to a shareholder vote at this AGM as no changes are being proposed. The Directors’ remuneration policy is available on the Company’s website, www.lonmin.com.

Resolution 2 is the ordinary resolution to approve the Directors’ remuneration implementation report. Resolution 2 is an advisory resolution and does not affect the future remuneration paid to any Director.

Resolution 3: To reappoint the auditors

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Audit & Risk Committee has reviewed the effectiveness, performance, independence and objectivity of KPMG LLP on behalf of the Board and concluded that the external auditors were in all respects effective.

It is proposed that KPMG LLP are reappointed auditors of the Company and will hold office from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before the Company.

Resolution 4: To authorise the Audit & Risk Committee of the Board to agree the auditors’ remuneration

This resolution authorises the Audit & Risk Committee of the Board to negotiate and agree the remuneration of the auditors.
Resolutions 5 to 12: To elect or re-elect Directors
These resolutions deal with the election or re-election of Directors. The Company is continuing its practice of requiring all Directors to stand for re-election or, in the case of Sizwe Nkosi, election, in accordance with the UK Corporate Governance Code.

Separate resolutions will be proposed for the election and each of the re-elections. The Nomination Committee has considered each of the Non-executive Directors seeking election or re-election and concluded that their collective backgrounds, skills, experience, independence and knowledge of the Company enable the Board and its Committees to discharge their respective duties and responsibilities effectively, as detailed in the Corporate Governance Report in the 2018 Report and Accounts. With the exception of the Chairman, Kennedy Bungane and Sizwe Nkosi, the Board has determined that each of the Non-executive Directors is considered to be independent.

Phembani Group Propriety Limited (“Phembani”) has a contractual right to nominate a Director for membership of the Company’s Board, subject to the recommendation of that individual by the Nomination Committee. Phembani has nominated Sizwe Nkosi, its chief financial officer and a director of Phembani, to join the Company’s Board and the Nomination Committee, having considered the nomination, recommends Mr Nkosi for election. Mr Nkosi replaces Mr Bungane as Phembani’s nominee to the Board. In response to the Board’s request, Mr Bungane has expressed a willingness to remain as a Director of the Company and the Nomination Committee, having considered Mr Bungane’s skills, experience and commitment to the Company, recommends his re-election as a Director.

Biographies of each of the Directors seeking re-election can also be found in the 2018 Report and Accounts and are repeated in Appendix 1 to this letter, on pages 4 and 5 of this circular. Appendix 1 to this letter additionally includes a biography of Sizwe Nkosi, who was proposed for election as a Director after the finalisation of the 2018 Report and Accounts.

Resolution 13: Directors’ authority to allot
This resolution authorises the Directors to allot a number of ordinary shares of $0.0001 each (“Ordinary Shares”) equal to approximately 33.3% of the current number of Ordinary Shares in issue. Section 561 of the Companies Act requires that, subject to certain limited exceptions, where Ordinary Shares are to be allotted for cash they must first be offered to existing shareholders on a pre-emptive basis (i.e. pro-rata to their existing holdings). This means that, subject to these exceptions, if the authority is granted, these Ordinary Shares can be allotted in one of two ways:

- the Directors may allot Ordinary Shares for cash, but only on a pre-emptive basis to existing shareholders (e.g. by way of a rights issue or an open offer); or
- the Directors may allot Ordinary Shares for non-cash consideration on either a pre-emptive or non-pre-emptive basis (for example, they could be allotted to a third party in return for assets or shares, subject to the Listing Rules obligations to seek prior shareholder approval of any Class 1 transaction).

At the Company’s last AGM on 15 March 2018, the Directors were given the authority to allot Ordinary Shares in the capital of the Company up to a maximum of US$9,410, representing the nominal value of approximately 33.3% of the Company’s then issued Ordinary Share capital.

In recognition of the views of many of the Company’s South African institutional shareholders and, in line with the authorities sought at the Company’s last six AGMs, the Board has decided not to seek authority to allot shares representing a higher amount than 33.3% notwithstanding the UK guidelines treating authorities up to 66.6% as routine, and will not be seeking to dis-apply statutory pre-emption rights. As a result, the authority sought by Resolution 13 is on the same basis as that granted in prior years, and is limited to Ordinary Shares with an aggregate nominal value of US$9,410, representing the nominal value of approximately 33.3% of the Company’s Ordinary Shares in issue as at 18 February 2019 (the “Issued Share Capital”). The date of 18 February 2019 is the latest date prior to finalisation of this circular (the “Latest Practicable Date”) at which we could determine the number of Ordinary Shares in issue. If granted, the authority sought will last until the conclusion of the AGM in 2020, or, if earlier, 25 June 2020.

The Directors have no present intention of exercising this allotment authority. The Directors confirm their intention to follow the provisions of the Pre-emption Group’s Statement of Principles regarding cumulative usage of allotment authorities within a rolling three-year period. The Company did not hold any treasury shares on the Latest Practicable Date.

Your Directors believe that the authority sought in Resolution 13 is in the best interests of the Company, and note that it falls within the Investment Association’s Share Capital Management Guidelines and it is normal practice for UK companies with premium (primary) listings in London to seek authority to allot at least 33.3% of their share capital.

Resolution 14: Authority to purchase own shares
Resolution 14 gives the Company authority to buy back its own Ordinary Shares in the market as permitted by the Companies Act.

If adopted, the resolution will authorise the Company to purchase up to 28,200,000 Ordinary Shares, equal to approximately 10% of the Issued Share Capital, subject to the limitations in paragraphs (b) and (c) of the resolution on the maximum and minimum prices that may be paid. The authority will be exercised only if, in the opinion of the Directors, this will result in an increase in earnings per share and would otherwise be in the best interests of the Company.

If this resolution is passed at the AGM, the Company will have the option of holding, as treasury shares, any of its own Ordinary Shares that it purchases pursuant to the authority conferred. No dividends will be paid on Ordinary Shares whilst held in treasury and no voting rights will attach to treasury shares. It is the Company’s current intention to hold in treasury any Ordinary Shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company’s capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the Ordinary Shares in treasury or cancel them, provided it is permitted to do so and subject to a limit of 10% of the Company’s Issued Share Capital being held in treasury.

Resolution 15: Share Capital
This resolution authorises the Directors to purchase Ordinary Shares in the capital of the Company up to a maximum of US$9,410, representing the nominal value of approximately 33.3% of the Company’s then issued Ordinary Share capital.

In recognition of the views of many of the Company’s South African institutional shareholders and, in line with the authorities sought at the Company’s last six AGMs, the Board has decided not to seek authority to allot shares representing a higher amount than 33.3% notwithstanding the UK guidelines treating authorities up to 66.6% as routine, and will not be seeking to dis-apply statutory pre-emption rights. As a result, the authority sought by Resolution 13 is on the same basis as that granted in prior years, and is limited to Ordinary Shares with an aggregate nominal value of US$9,410, representing the nominal value of approximately 33.3% of the Company’s Ordinary Shares in issue as at 18 February 2019 (the “Issued Share Capital”). The date of 18 February 2019 is the latest date prior to finalisation of this circular (the “Latest Practicable Date”) at which we could determine the number of Ordinary Shares in issue. If granted, the authority sought will last until the conclusion of the AGM in 2020, or, if earlier, 25 June 2020.

The Directors have no present intention of exercising this allotment authority. The Directors confirm their intention to follow the provisions of the Pre-emption Group’s Statement of Principles regarding cumulative usage of allotment authorities within a rolling three-year period. The Company did not hold any treasury shares on the Latest Practicable Date.

Your Directors believe that the authority sought in Resolution 13 is in the best interests of the Company, and note that it falls within the Investment Association’s Share Capital Management Guidelines and it is normal practice for UK companies with premium (primary) listings in London to seek authority to allot at least 33.3% of their share capital.

Resolution 14: Authority to purchase own shares
Resolution 14 gives the Company authority to buy back its own Ordinary Shares in the market as permitted by the Companies Act.

If adopted, the resolution will authorise the Company to purchase up to 28,200,000 Ordinary Shares, equal to approximately 10% of the Issued Share Capital, subject to the limitations in paragraphs (b) and (c) of the resolution on the maximum and minimum prices that may be paid. The authority will be exercised only if, in the opinion of the Directors, this will result in an increase in earnings per share and would otherwise be in the best interests of the Company.

If this resolution is passed at the AGM, the Company will have the option of holding, as treasury shares, any of its own Ordinary Shares that it purchases pursuant to the authority conferred. No dividends will be paid on Ordinary Shares whilst held in treasury and no voting rights will attach to treasury shares. It is the Company’s current intention to hold in treasury any Ordinary Shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company’s capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the Ordinary Shares in treasury or cancel them, provided it is permitted to do so and subject to a limit of 10% of the Company’s Issued Share Capital being held in treasury.
The Company has not undertaken any purchases of its own Ordinary Shares since the date of the last AGM, but the renewal of the authority is sought to preserve flexibility. The Directors have no present intention of exercising this authority, which will expire at the conclusion of the AGM in 2020 or, if earlier, on 25 June 2020, unless renewed, varied or revoked at that or any earlier general meeting of shareholders.

The full exercise of all options and satisfaction of all awards outstanding under the Company’s employee share plans, at the Latest Practicable Date would require the issue of 5,753,753 Ordinary Shares representing 2.03% of the Issued Share Capital and 2.26% (in each case as at the Latest Practicable Date) if the proposed authority to purchase the Company’s own Ordinary Shares had been obtained and exercised in full.

Resolution 15: Notice period for general meetings, other than annual general meetings

Resolution 15 is a resolution to allow the Company to hold general meetings (other than AGMs) on 14 days’ notice.

The minimum notice period permitted by the Companies Act for general meetings of the Company (other than AGMs) is 21 days. However, the Companies Act enables listed companies to reduce this period to 14 days (other than for AGMs) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all holders of shares that carry voting rights at general meetings, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

Electronic means of voting can be made available to all the Company’s registered shareholders. The Board is therefore proposing Resolution 15 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than AGMs. The approval will be effective until the end of the Company’s next AGM, when it is intended that the approval be renewed. The shorter notice period would not be used as a matter of course for such meetings, but considered on a case-by-case basis and used only where the flexibility is merited by the business of the meeting and taking into account the circumstances.

Serious Loss of Capital

The Company’s 2018 financial results show that the value of the Company’s net assets continues to be less than half of its called up share capital. As required by the Companies Act 2006, the business of the 2018 AGM included considering whether any, and if so what, steps should be taken to deal with this serious loss of capital. The Board continues to believe that the recommended offer for the Company by Sibanye-Stillwater provides the Company with a comprehensive and sustainable solution to the adverse challenges it faces, including the serious loss of capital.

Proxy form

The proxy form enclosed with this letter should be completed and returned as soon as possible, but in any event so as to be received:

- in the case of shareholders on the UK register, Freepost RTHJ-CLLL-KBKU, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 8LU by 11.00 a.m. (UK time) 21 March 2019; and

- in the case of shareholders on the South African branch register, Link Market Services South Africa (Pty) Limited, P.O. Box 4844, Johannesburg, 2000, South Africa by 1.00 p.m. (SA time) 21 March 2019.

Alternatively, shareholders on the UK register may appoint a proxy electronically by logging on to the website www.sharevote.co.uk. Electronic proxy appointments must also be received by Equiniti no later than 11.00 a.m. (UK time) on 21 March 2019. Holders of uncertificated stock can also lodge votes electronically through CREST – see note 6 on page 7 of this circular.

Shareholders who return a proxy form or give an electronic proxy instruction will still be able to attend and vote in person at the meeting if they so wish.

Directors’ recommendation

The Board considers the above resolutions are likely to promote the success of the Company and are in the best interests of the Company and its shareholders as a whole.

The Directors unanimously recommend that shareholders vote in favour of each of the above resolutions, as they intend to do in respect of their own beneficial shareholdings.

Yours sincerely
