Sibanye's Cooke Operations resume

Westonaria, 5 October 2016: Sibanye (Tickers JSE: SGL and NYSE: SBGL) advises that its Cooke operations have resumed normal operations this morning after the illegal industrial action was called-off yesterday following engagement with union representatives.

The two seriously injured employees are still in a critical, but stable condition. Management will take appropriate disciplinary action once the investigation into the attacks and the illegal industrial action has been concluded.
