Sibanye wins the Deal of the Year award at the prestigious annual Ansarada DealMakers Gala Awards Dinner

Westonaria, 16 February 2017: Sibanye (JSE: SGL & NYSE: SBGL) is pleased to report that it's proposed US\$2.2 billion acquisition of Stillwater Mining Company ("Stillwater") was placed first in the Deal of the Year category at the prestigious Ansarada DealMakers annual gala awards ceremony last night, through a unanimous decision by the judges.

Neal Froneman commenting on the award said: "We are honoured to receive this award, which I believe recognises that the proposed acquisition of the US listed Stillwater is a transformative transaction at an opportune time in the commodity price cycle. The acquisition of Stillwater's Tier 1 assets will transform Sibanye into a globally competitive South African mining champion. Sibanye means 'We are one' in isiXhosa and awards such as this and the ability to even consider transformational transactions of this nature, reflect the efforts and achievements of all Sibanye employees."
