The award covered the various corporate activities undertaken by Sibanye-Stillwater over the last year, including the US\$2.2 billion acquisition of Stillwater, the US\$1 billion Rights Offer, the US\$1.05 billion Corporate Bond, the US\$450 million Convertible Bond, the proposed DRDGOLD transaction (for a 38% shareholding) and the all share offer for Lonmin.

Neal Froneman commenting on the award said: "We are humbled by this recognition and we believe that these value accretive transactions have not only been transformational but have already created superior value to all our stakeholders and will continue to do so. I share this award with the Sibanye-Stillwater team who worked tenaciously to ensure the success of these capital raisings and transactions. The guidance and support of our Board was instrumental in our success. We are also extremely grateful for the continued support from our shareholders, advisors, lenders and other stakeholders.
