## MEDIA RELEASE

### **Sibanye-Stillwater employees excel at the 2018 Comrades ultramarathon**

**Johannesburg, 11 June 2018:** Sibanye-Stillwater (Tickers JSE: SGL and NYSE: SBGL) would like to congratulate all its employees who participated in this year's Comrades marathon. A special congratulations to Joseph Mphuthi, an employee from our Beatrix operations, who came second in the race and first in his age group with a time of 5 hours and 35 minutes. In total, Sibanye-Stillwater employees received 45 medals\* comprising of 1 gold medal, 6 silver medals, 11 Bill Rowan (bronze-silver) medals and 20 bronze medals and 7 Vic Clapham (copper) medals. The Comrades ultramarathon took place yesterday over a distance of 89 kilometres, starting at the City hall in Pietermaritzburg and finishing in Durban.

Some of these achievers succeeded against all odds, one such employee is John Motone, Sibanye-Stillwater's and the SA mining industry's ambassador for wellness who won a bronze medal (with a time of 10 hours 43 minutes) at this year's race. John previously publicly declared his Tuberculosis and HIV infections, while he promotes his adherence to prescribed medications as his success story.

Another such achiever is Daniel De Wet, an employee who survived a mine accident in January 2015, also completed the Comrades in 11 hours and 30 minutes.

"We applaud all our employees, who attempted and finished this ultramarathon, setting an example of endurance and excellence. These medals yield the result of countless hours of preparation. To Joseph Mphuthi, a special congratulations for finishing second in this prestigious race", CEO, Neal Froneman, commented.

*Prior to 2000, only gold, silver and bronze medals were awarded. The Bill Rowan medal was introduced in 2000 and named after the winner of the first Comrades Marathon in 1921. The time limit for this medal was inspired by Rowan's winning time in 1921 of 8hrs 59min. A new copper medal, the Vic Clapham medal (named after the race founder), was added in 2003. This medal coincided with the increase in the time allocation for completing the event from sub 11hrs to sub 12hrs. The Wally Hayward medal, named after five-time winner Wally Hayward, was added in 2007 for runners finishing in under 6hrs.*

Ends.
