MEDIA RELEASE

Further update on the incident at the Kloof Ikamva shaft

Westonaria, 12 June 2018: Sibanye-Stillwater (Tickers JSE: SGL and NYSE: SBGL) advises that the body of the fourth employee has been retrieved from the abandoned stope ore pass by the specialised proto teams.

The incident started yesterday after five employees entered an abandoned working area and sadly four out of the five employees passed away. A thorough investigation will be undertaken into the incident.

The search for the fifth employee continues and further updates will be issued when more information becomes available.

Ends.
