Historical Dealings in securities by directors of major subsidiaries

In compliance with paragraphs 3.63 to 3.66 of the Listings Requirements, shareholders are further advised of a delayed announcement of dealings in securities by directors of major subsidiaries in previous periods.

The Company recently reviewed its securities trading policy and communicated the reporting obligations to the affected personnel. In the review, it was determined that two of the US registered subsidiaries, being Stillwater Mining Company and SWC Trading INC., had become "major subsidiaries" (as defined by the Listings requirements) from 1 July 2017 and 1 July 2018 respectively based on financial results for the periods ending 30 June 2017 and 30 June 2018. In line with the procedures at that time the Company had not provided clearance to trade and had omitted to disclose dealings by directors of these major subsidiaries since these dates. All of these dealings were undertaken during a non-prohibited period in line with the Company's procedures. The Company has, in addition, disclosed in its Integrated Annual Report and Form 20-F filings the securities held by each prescribed officer of the Company.
