- 1.3. The Committee shall establish an annual work plan for each year to ensure that all relevant matters are covered by the agendas of the meetings planned for the year.
- 1.4. The Committee shall annually undertake a self-assessment of its performance.
- 1.5. These terms of reference are subject to the provisions of the Companies Act, 2008, as amended (the "Act") and the Memorandum of Incorporation of Sibanye-Stillwater, as well as any other applicable law or regulatory provision.

2. **MEMBERSHIP**

- 2.1. The Committee shall comprise at least three directors, of whom a majority shall be independent non-executive directors. Members of the Committee shall be appointed and may be removed by the Board, on the recommendation of the Nominating and Governance Committee.
- 2.2. One or more members shall have joint membership of both Audit and Risk Committees for more effective functioning.
- 2.3. The Company Secretary or their designee shall act as secretary to the Committee.
- 2.4. Suitably qualified persons may be invited to attend Committee meetings or be consulted by the Committee from time to time to render such specialist services as may be necessary to assist the Committee in its deliberations on any particular matter. Such persons do not form part of the quorum for Committee meetings and shall not be entitled to vote at Committee meetings.

2.5. The Chairperson of the Committee ("Committee Chair") (or in his or her absence, an alternative member of the Committee) shall be present at Sibanye-Stillwater's annual general meeting to assist the Chairman of Sibanye-Stillwater in answering questions concerning risk matters.

3. **MEETINGS**

3.1. The Committee shall meet at least four times a year; provided that the Committee Chair or any other member of the Committee may call a meeting at any other time as needed. The Committee shall report to the Board of Sibanye-Stillwater on its activities at the Board meeting following each Committee meeting.

3.2. The notice of each meeting of the Committee, whether in-person or via electronic communication, confirming the venue (if an in-person meeting), time and date and enclosing an agenda of items to be discussed, shall be forwarded to each member of the Committee at least five working days prior to the date of each meeting.

3.3. Three members present in person or via telecommunication facilities shall constitute a quorum for a Committee meeting.

3.4. Where the Committee Chair is not present within 15 minutes of the time stipulated for a Committee meeting, the Committee members present at the meeting must elect one of them to chair that meeting.

3.5. A meeting of the Committee may be conducted by electronic communication and/or one or more members may participate in a meeting of the Committee by electronic communication so long as the electronic communication facility employed ordinarily enables all persons participating in that meeting to communicate concurrently with each other without an intermediary, and to participate effectively in the meeting.

3.6. Each member of the Committee has 1 vote on a matter before the Committee and a majority of the votes cast on a resolution is sufficient to approve that resolution.

- 3.8. A round robin resolution of members shall be as valid and effectual as if it had been passed at a meeting of the Committee duly called and constituted, provided that each member has received notice of the matter to be decided upon and that the majority of the members have voted in favour of the matter. A round robin resolution may be executed in any number of counterparts and will have the same effect as if the signatures on the counterparts were on a single copy of the round robin resolution.
