SPECIAL RESOLUTION NUMBER 2

Financial assistance to directors, prescribed officers, employee share scheme beneficiaries and related or inter-related companies and corporations

RESOLVED, as a special resolution, that the board of directors of the company may, to the extent required by, and subject to, sections 44 and 45 of the Act and the requirements (if applicable) of the MOI of the company; and JSE Listings Requirements, authorise the company to provide direct or indirect financial assistance to a director or prescribed officer of the company or of a related or inter-related company, or to a related or inter-related company or corporation, or to a member of a related or inter-related corporation, or to any beneficiary participating in any company share incentive scheme, or to a person related to any such company, corporation, director, prescribed officer, beneficiary or member at any time during the period commencing on the date of passing of this resolution and ending at the next AGM of the company.

Reasons and effects of special resolution number 2

Notwithstanding the title of section 45 of the Act, being "loans or other financial assistance to directors", on a proper interpretation, the body of the section may also apply to financial assistance provided by a company to related or inter-related companies and corporations, including, among others, its subsidiaries, for any purpose. Furthermore, section 44 of the Act may also apply to financial assistance provided by a company to a related or inter-related company, for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the company or a related or inter-related company, or for the purchase of any securities of the company or a related or inter-related company.

Both sections 44 and 45 of the Act state, among other things, that the particular financial assistance must be provided only pursuant to a special resolution of the shareholders adopted within the same year. Such assistance approved either for the specific recipient or, generally for a category of potential recipients, including the specific recipient within that category and the board of directors must be satisfied that:

- a. Immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test as contemplated in the Act; and
- b. The terms under which the financial assistance is proposed to be given are fair and reasonable to the company.

**NOTICE TO THE
ANNUAL GENERAL MEETING** (continued)
for the year ended 30 June 2018

Sections 44 and 45 contain exemptions in respect of employee share schemes that satisfy the requirements of section 97 of the Act. To the extent that any company share incentive scheme does not satisfy such requirements, financial assistance (as contemplated in sections 44 and 45) to be provided under any such scheme will, among others, also require approval by special resolution. Accordingly, special resolution number 2 authorises financial assistance to any of the directors or prescribed officers of the company, or any person related to any of them or to any company or corporation related or inter-related to them, or to any other person who is a beneficiary of any of the company share incentive schemes, in order to facilitate their participation in any such scheme that does not satisfy the requirements of section 97 of the Act.

The minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy-five percent) of the voting rights to be cast on the resolution.

SPECIAL RESOLUTION NUMBER 3

General authority to repurchase company shares

RESOLVED, as a special resolution, that the company hereby approves, as a general approval, the acquisition by the company or any of its subsidiaries, from time to time, of the issued shares of the company, upon such terms and conditions and in such amounts as the directors of the company may determine, but subject to the MOI of the company, the provisions of the Companies Act of South Africa and the JSE Listings Requirements as presently constituted or as amended, provided that:

- a. the acquisition by the company and its subsidiaries of shares in the company may not, in the aggregate, exceed in any one financial year, 5% (five percent) of the issued share capital of the company of the class of shares acquired from the date of the grant of this general approval
- b. any such acquisition of shares shall be effected through the order book operated by the JSE trading system or other manner approved by the JSE and done without any prior understanding or arrangement between the company or its subsidiaries and the counterparty;
- c. the general approval shall only be valid until the next AGM of the company or for 15 (fifteen) months from the date of passing of this special resolution, whichever period is shorter;
- d. in terms of this authority, a paid press announcement shall be published as soon as the company and/or its subsidiaries has/have acquired shares constituting, on a cumulative basis, 3% (three percent) of the number of shares of the class of shares acquired in issue at the time of granting of this general approval, as well as for each 3% (three percent) in aggregate of the initial number of that class of shares acquired thereafter. The announcement shall contain full details of such acquisitions as required by paragraph 11.27 of the JSE Listings Requirements;
- e. in determining the price at which the company's shares are acquired by the company or its subsidiaries in terms of this general approval, the maximum price at which such shares may be acquired may not be greater than 10% (ten percent) above the weighted average of the market value at which such shares are traded on the JSE, as determined over the 5 (five) business days immediately preceding the date of the acquisition of such shares by the company or its subsidiaries;
- f. a resolution passed by the board of directors of the company authorising the repurchase, that the company passed the solvency and liquidity test and that, since the test was done, there have been no material changes to the financial position of the company;
- g. the company and/or its subsidiaries may not repurchase any shares in terms of this authority during a prohibited period, as defined in the JSE Listings Requirements, unless the company and/or its subsidiaries has in place a repurchase programme, where dates and quantities of shares to be traded during the prohibited period are fixed and full details of the programme have been disclosed to the JSE Limited, in writing, prior to the commencement of the prohibited period; and
- h. the company will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the JSE Listings Requirements, prior to the commencement of the purchase of the shares of the company on the open market.

Reason for and effect of special resolution number 3

The reason for, and effect of, this special resolution is to grant the company and/or its subsidiaries a general authority to facilitate the acquisition by the company and/or its subsidiaries of the company's own shares. This general authority shall be valid until the next AGM of the company or until the variation or revocation of such general authority by special resolution at any subsequent general meeting of the company, whichever is earlier, provided that this general authority shall not extend beyond 15 months from the date of the passing of this special resolution.

The minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy-five percent) of the voting rights to be cast on the resolution.

ENTITLEMENT TO ATTEND AND VOTE AT THE AGM IN PERSON OR BY PROXY

Holders of certificated shares (ie shares that have not been dematerialised) or holders of shares registered as "own name dematerialised shares" (ie shares specifically held by the Central Securities Depository Participant (CSDP) in one's own name on the sub-register of the company) may attend and vote at the AGM.

Alternatively, the holder may appoint a proxy (who need not also be a shareholder of the Company) to attend, participate in and speak and vote on the holder's behalf at the AGM. Accordingly, in these circumstances, subject to the mandate between the shareholder and the CSDP or broker (or their nominee), as the case may be:

- a. if the shareholder wishes to attend the AGM they must contact the CSDP or broker (or their nominee), and obtain the relevant letter of representation from it; alternatively

The holder should not complete the attached form of proxy. The instructions must be provided in accordance with the mandate between the shareholder and the CSDP or broker, within the time period required by the CSDP or broker.

CSDPs, brokers or their nominees, recorded in the sub-register of the company as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of STRATE should, when authorised in terms of their mandate or instructed to do so by the owner on behalf of whom they hold dematerialised shares in the Company, vote by either appointing a duly authorised representative to attend and vote at the AGM or by completing the attached form of proxy in accordance with the instructions thereon and returning it to the registered office of the company or to the transfer secretaries, Computershare Investor Services Proprietary Limited, the details of which are set out on page 36 of this shareholder leaflet, by no later than 11:00 on Tuesday, 20 November 2018, being 24 (twenty four) hours prior to the time appointed for the holding of the AGM.

This form of proxy is not to be used by beneficial owners of shares who have dematerialised their shares through a Central Securities Depository Participant (CSDP) or broker, unless the shareholder is recorded on the sub-register as an "own name dematerialised shareholder". Generally, a shareholder is not an "own name dematerialised shareholder" unless they have specifically requested their CSDP to record them as the holder of the shares in their own name in the sub-register of WBHO.

This form of proxy is only for use by certificated, own name dematerialised shareholders and CSDPs or brokers (or their nominees) registered in the sub-register of WBHO as the holder of dematerialised ordinary shares.

Each shareholder entitled to attend and vote at the AGM is entitled to appoint a proxy, who need not be a shareholder of the company, to attend, participate in and speak and vote in place of that shareholder at the AGM, and at any adjournment thereafter. The record date is Friday, 16 November 2018.

- The appointment of the proxy is revocable.
- You may revoke the proxy appointment by cancelling it in writing, or making a later inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and to WBHO.
