CIRCULAR TO SAFARI SHAREHOLDERS

1. INTRODUCTION

Safari released an announcement on SENS on Tuesday, 31 May 2016 in terms of which Safari shareholders ("Shareholders") were advised that the board of directors ("Board") of Safari had declared a final gross cash distribution of 32 cents per share for the period ended 31 March 2016. Shareholders have been provided with the election to reinvest the cash distribution in return for Safari ordinary shares. By electing to receive ordinary shares, Shareholders will be able to increase their shareholding in Safari without incurring dealing costs and uncertificated securities tax. In turn, Safari will benefit from an increase in the amount of Shareholders' funds available to support continued growth.

The distribution of 32 cents per share was approved by the Board after careful consideration of the Company's cash flow, development requirements and the current prevailing economic climate in South Africa. The Board is confident that once the current development pipeline is completed that same will have a positive effect on Safari going forward.

Shareholders will be entitled, in respect of all or part of their shareholding, to elect to participate in the share reinvestment alternative of 4.000 new Safari shares for every 100 Safari shares held, failing which they will receive the cash distribution of 32 cents per share, which will be paid to those Shareholders not electing to participate in the share reinvestment alternative. The distribution accrued over the six month period ended 31 March 2016.

The Board has authorised the share reinvestment alternative price of R8.00 per share, due to Safari having a higher net asset value of approximately R8.70 per share and the Board being of the view that the share trading in the open market is currently undervalued trading at a 30 day VWAP of R7.31 as at Thursday, 19 May 2016.

2. PURPOSE OF THIS CIRCULAR

The purpose of this circular is to provide Shareholders with information regarding the cash distribution and the share reinvestment alternative.

3. THE CASH DISTRIBUTION AND THE SHARE REINVESTMENT ALTERNATIVE

3.1 Terms of the cash distribution

Subject to the terms contained in this circular and the attached forms pertaining to Certificated Shareholders, Shareholders recorded in the register of Safari at the close of business on the record date who have not elected to participate in the share reinvestment alternative, will be paid the cash distribution.

3.2 Procedure for Shareholders to receive the cash distribution

Shareholders who wish to receive the cash distribution do not need to take any further action. If no election is made to participate in the share reinvestment alternative, Shareholders will receive the cash distribution in respect of all the shares held on the record date.

Certificated Shareholders who have previously not provided Computershare Investor Services Proprietary Limited with their latest banking details are referred to Form B enclosed with this circular which should be completed in accordance with the instructions contained therein and lodged with the transfer secretaries, Computershare Investor Services Proprietary Limited, 70 Marshall Street, Johannesburg, 2001 or posted to their postal address, PO Box 61763, Marshalltown, 2107, should the Certificated Shareholder prefer to receive their cash distribution per EFT and not per cheque.

3.3 Procedure for Shareholders who elect to receive the share reinvestment alternative

Shareholders who hold certificated shares and wish to elect to receive the share reinvestment alternative shares must complete the attached Form A (form of election) in accordance with the instructions contained therein and lodge it with the transfer secretaries, Computershare Investor Services Proprietary Limited, 70 Marshall Street, Johannesburg, 2001 or post it to their postal address, PO Box 61763, Marshalltown, 2107, to be received by no later than 12:00 on Friday, 24 June 2016 or deliver to the offices of Safari, 420 Friesland Lane, Lynnwood, Pretoria, 0081 to be received by no later than 12:00 on Thursday, 23 June 2016.

Form A (form of election) which is not posted must be faxed to +27 11 688 5210 or emailed to corporate.events@computershare.co.za. Computershare Investor Services Proprietary Limited will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of faxed or emailed Form A (form of election) or owing to Form A (form of election) being forwarded to any other facsimile or email address other than those provided above. Form A (form of election) shall be deemed to be received on the date reflected in Computershare's electronic or facsimile systems. Notwithstanding anything to the contrary it is the shareholder's responsibility to ensure that their Form A (form of election) is received by Computershare Investor Services Proprietary Limited.

Shareholders who have dematerialised their shares through a CSDP or broker must not complete the attached Form A (form of election), but should instruct their CSDP or broker with regard to their election in terms of the custody agreement entered into between them and their CSDP or broker.

Shareholders may make the election in respect of all or part of their shares held on the record date. If an election is made in respect of part of a shareholding, Shareholders will receive the cash distribution in respect of the shares for which the election is not made.

3.4 Posting of share certificates and crediting of CSDP or broker accounts

Share certificates in respect of the shares relating to the share reinvestment alternative will be dispatched to the Certificated Shareholders by registered post at the risk of such Shareholders on or about Wednesday, 29 June 2016, to their registered addresses or in accordance with instructions given to the transfer secretaries. Dematerialised Shareholders' CSDP or broker accounts will be credited on Wednesday, 29 June 2016 in respect of the share reinvestment alternative.

3.5 Shareholders wishing to receive the cash distribution

Shareholders that wish to receive the cash distribution must not complete Form A (form of election). The cash distribution of 32 cents per share will be paid via electronic transfer into the personal bank accounts of Certificated Shareholders who have not elected the share reinvestment alternative award only in the event that the transfer secretaries are already in possession of their banking details. Where the transfer secretaries do not have the banking details of the aforesaid Certificated Shareholders, distribution cheques will be dispatched at the risk of such Shareholders on or about Monday, 27 June 2016, to their registered addresses, or in accordance with the instructions given to the transfer secretaries, or in the case of Dematerialised Shareholders the cash will be credited to their accounts held at their CSDP or broker.

4. FRACTIONS

The option to elect the share reinvestment alternative will be based on and be calculated at 4.000 new Safari shares for every 100 Safari shares held. The number of shares to which Shareholders will become entitled will be calculated on the following basis:

New Safari ordinary shares = (number of Safari ordinary shares held X 4.000 ÷ 100)

Trading in the electronic Strate environment does not permit fractions and fractional entitlements in respect of shares. Accordingly, should a shareholder elect the share reinvestment alternative and should the application of the abovementioned formula give rise to a fraction of a new share, such fraction will be rounded down to the nearest whole number, resulting in the allocation of whole shares and a payment to the shareholder in respect of the remaining cash amount due to that shareholder under the cash distribution. The remaining cash amount portion will be subject to dividend tax as detailed in paragraph 5 below.

Shareholders are referred to the relevant table of entitlement in the Annexure to this circular.

5. TAX IMPLICATIONS

In accordance with Safari's status as a Real Estate Investment Trust ("REIT") Shareholders are advised that the dividend meets the requirements of a "qualifying distribution" for the purposes of section 25BB of the Income Tax Act, No 58 of 1962 ("Income Tax Act"). The dividends on the shares will be deemed to be dividends for South African tax purposes in terms of section 25BB of the Income Tax Act.

Tax implications for South African resident Shareholders

Dividends received by or accrued to South African tax residents must be included in the gross income of such Shareholders and will not be exempt from income tax in terms of the exclusion to the general dividend exemption contained in section 10(1)(k)(i)(aa) of the Income Tax Act because they are dividends distributed by a REIT. These dividends are however exempt from dividend withholding tax ("Dividend Tax") in the hands of South African resident Shareholders provided that the South African resident Shareholders have provided to the CSDP or broker, as the case may be, in respect of uncertificated shares, or the company, in respect of certificated shares, a DTD(EX) (Dividend Tax: Declaration and undertaking to be made by the beneficial owner of a share) form to prove their status as South African residents.

If resident Shareholders have not submitted the abovementioned documentation to confirm their status as South African residents, they are advised to contact their CSDP, or broker, as the case may be, to arrange for the documents to be submitted prior to the payment of the dividend.

Tax implications for non-resident Shareholders

Dividends received by non-resident Shareholders from a REIT will not be taxable as income and instead will be treated as ordinary dividends which are exempt from income tax in terms of the general dividend exemption in section 10(1)(k)(i) of the Income Tax Act. With effect from 1 January 2014, any dividend received by a non-resident from a REIT will be subject to Dividend Tax at 15%, unless the rate is reduced in terms of any applicable agreement for the avoidance of double taxation ("DTA") between South Africa and the country of residence of the non-resident shareholder. Assuming Dividend Tax will be withheld at a rate of 15%, the net distribution amount due to non-resident Shareholders is 27.2 cents per share with the election to reinvest the cash distribution in return for Safari shares in the ratio of 3.400 new Safari shares for every 100 Safari shares held. A reduced dividend withholding rate in terms of the applicable DTA may only be relied on if the non-resident shareholder has provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated shares, or the company, in respect of certificated shares:

- A declaration that the dividend is subject to a reduced rate as a result of the application of a DTA; and
- A written undertaking to inform the CSDP, broker or the company, as the case may be, should the circumstances affecting the reduced rate change or the beneficial owner cease to be the beneficial owner, both in the form prescribed by the Commissioner for the South African Revenue Service.

If applicable, non-resident Shareholders are advised to contact the CSDP, broker or the company, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the dividend if such documents have not already been submitted.

Other information:

- The ordinary issued share capital of Safari is 182 182 319 ordinary shares of no par value before any election to reinvest the cash distribution.
- Income tax reference number of Safari: 9012/264/14/0.
- The share reinvestment alternative is based on a share price of 800 cents per Safari share.

Shareholders are encouraged to consult their professional advisers should they be in any doubt as to the appropriate action to take.

6. LISTING OF NEW SAFARI SHARES

The maximum amount to be capitalised from income reserves of Safari in order to be able to issue the share reinvestment alternative shares as fully paid up will be approximately R58.3 million. Application will be made to the JSE for the maximum possible number of shares to be issued in terms of the share reinvestment alternative to be listed with effect from the commencement of business on Wednesday, 22 June 2016. A further application will be made to the JSE to adjust the maximum number of new shares listed to take into account the actual number of shares issued to Shareholders on or about Friday, 1 July 2016.

The right to receive new Safari shares is not renounceable and may not be traded on the JSE.

7. FOREIGN SHAREHOLDERS

The distribution of this circular and/or accompanying documents and the right to elect share reinvestment alternative shares in jurisdictions other than the Republic of South Africa may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. The shares have not been and will not be registered for the purposes of the election under the securities laws of the United Kingdom, European Economic Area, Canada, United States of America, Japan or Australia and accordingly are not being offered, sold, taken up, re-sold or delivered, directly or indirectly, to recipients with registered addresses in such jurisdictions.

8. EXCHANGE CONTROL

- Any net cash distribution paid to non-resident Shareholders who are not emigrants from the common monetary area, will be credited directly to the bank accounts nominated for the relevant Shareholders, by their duly appointed CSDP or broker.

Non-resident and emigrant Dematerialised Shareholders will have all aspects relating to Exchange Control managed by their CSDP or broker.
