## CIRCULAR TO EQUITES SHAREHOLDERS

### 1. INTRODUCTION

Equites' results for the six months ended 31 August 2021 were released on SENS on Tuesday, 5 October 2021. Equites shareholders were advised in the announcement accompanying the results that the directors of Equites have declared a cash dividend of 78.37854 cents per Equites ordinary share of no par value for the six months ended 31 August 2021 (the "cash dividend"). Shareholders have been provided with the election to reinvest the cash dividend in return for Equites shares (the "dividend reinvestment alternative"). By electing the dividend reinvestment alternative, shareholders will be able to increase their shareholding in Equites without incurring dealing costs. In turn, Equites will benefit from an increase in the amount of shareholders' funds available to support continued growth.

Shareholders will be entitled, in respect of all or part of their shareholding, to elect to participate in the dividend reinvestment alternative, failing which, they will receive the cash dividend of 78.37854 cents per share that will be paid to those shareholders not electing to participate in the dividend reinvestment alternative. The number of shares to which shareholders are entitled will be determined with reference to the ratio that 78.37854 cents per share bears to the reinvestment price. The reinvestment price will be determined by Equites with reference to the market conditions at the time, including up to a 5% discount determined with reference to the spot price per Equites share (less the cash dividend) and/or the volume weighted average traded price per Equites share for up to 30 days prior to the finalisation date (less the cash dividend). The reinvestment price will be announced on SENS on the finalisation date, which will be no later than 11:00 (SA time) on Tuesday, 12 October 2021.

The board of directors of Equites in its discretion may withdraw the dividend reinvestment alternative should market conditions warrant such action and such withdrawal will be announced on SENS by no later than 11:00 (SA time) on Tuesday, 12 October 2021.

### 2. PURPOSE OF THIS CIRCULAR

The purpose of this circular is to provide shareholders with information regarding the cash dividend and the dividend reinvestment alternative.

### 3. THE CASH DIVIDEND AND THE DIVIDEND REINVESTMENT ALTERNATIVE

#### 3.1 Terms of the cash dividend

Subject to the terms contained in this circular and the attached form of election pertaining to certificated shareholders, shareholders recorded in the register of Equites at the close of business on the record date who have not elected to participate in the dividend reinvestment alternative, will be paid the cash dividend.

#### 3.2 Procedure for shareholders to receive the cash dividend

Shareholders who wish to receive the cash dividend do not need to take any further action. If no election is made to participate in the dividend reinvestment alternative, shareholders will receive the cash dividend in respect of all the shares held on the record date.

#### 3.3 Procedure for shareholders who elect the dividend reinvestment alternative

Shareholders who hold certificated shares and wish to elect to receive shares must complete the attached form of election in accordance with the instructions contained therein and lodge it with the transfer secretaries, Computershare, to be received no later than 12:00 (SA time) on the record date. Forms of election which are not posted must be emailed to [corporate.events@computershare.co.za](mailto:corporate.events@computershare.co.za). Computershare will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of emailed forms of election or owing to forms of election being forwarded to any other facsimile or email address other than those provided above. Forms of election shall be deemed to be received on the date reflected in Computershare's electronic or facsimile systems. Notwithstanding anything to the contrary it is the shareholder's responsibility to ensure that their forms of election are received by Computershare.

As a result of the COVID-19 pandemic and its subsequent impact in South Africa, as well as the general uncertainty and the related restrictions imposed, or which may be imposed, by the South African Government on movement in South Africa, certificated shareholders are encouraged to return completed forms of election to Computershare by e-mail. If certificated shareholders elect to return completed forms of election by hand, by courier or by post, certificated shareholders are encouraged to contact Computershare to confirm receipt thereof (Telephone: +27 11 370 5000 and, in South Africa only, 086 1100 634, calls will be charged at the standard geographic rate and will vary by provider). Shareholders who require further assistance may send an email to [returmycall@computershare.co.za](mailto:returmycall@computershare.co.za) or alternatively dial \*134\*20011# (this number is only available within South Africa). The helpline is open between 8:00 – 16:30 (SA time), Monday to Friday, excluding public holidays in South Africa.

Shareholders who have dematerialised their shares through a CSDP or broker must not complete the attached form of election but should instruct their CSDP or broker with regard to their election in terms of the custody agreement entered into between them and their CSDP or broker.

Shareholders may make the election in respect of all or part of their shares held on the record date. If an election is made in respect of part of a shareholding, shareholders will receive the cash dividend in respect of the shares for which the election is not made.

### 3.4 **Posting of share certificates, payment of cash dividend and updating or crediting of CSDP or broker accounts**

According to the elections made, cash dividend payments will be made by electronic funds transfer into the personal bank accounts of certificated shareholders who have provided (either in accordance with the instructions set out in the forms of election or historically) the transfer secretaries with their bank account details on Monday, 25 October 2021. **(To combat the increase in cheque fraud, the company has discontinued payments by cheque and, accordingly, payment of any cash dividend to certificated shareholders is dependent on the transfer secretaries being in possession of such certificated shareholders' banking details.)**

Share certificates in respect of the shares relating to the dividend reinvestment alternative will be dispatched to the certificated shareholders at the risk of such shareholders on or about Wednesday, 27 October 2021 to the registered addresses or in accordance with instructions given to the transfer secretaries via ordinary mail.

Dematerialised shareholders' CSDP or broker accounts will be credited on Monday, 25 October 2021 in respect of the cash dividend payments.

Dematerialised shareholders' CSDP or broker accounts will be credited on Wednesday, 27 October 2021 with new shares in respect of the dividend reinvestment alternative.

## 4. **FRACTIONS**

Trading in the Strate environment does not permit fractions and fractional entitlements. In line with Equites' Memorandum of Incorporation, where a shareholder's entitlement to the shares in relation to the dividend reinvestment alternative calculated in accordance with the formula mentioned in paragraph 1 above gives rise to an entitlement to a fraction of a new share, such fraction will be rounded down to the nearest whole number with the cash balance of the dividend being retained by the shareholders.

## 5. **TAX IMPLICATIONS**

Equites listed on the JSE as a REIT in line with the REIT structure as provided for in the Income Tax Act, No. 58 of 1962, as amended (the "**Income Tax Act**") and section 13 of the JSE Listings Requirements.

The REIT structure is a tax regime that allows a REIT to deduct qualifying distributions paid to investors, in determining its taxable income.

The cash dividend of 78.37854 cents per share meets the requirements of a "qualifying distribution" for the purposes of section 25BB of the Income Tax Act (a "**qualifying distribution**") with the result that:

- qualifying distributions received or accrued to SA tax residents must be included in the gross income of such shareholders and will not be exempt from income tax (in terms of the exclusion to the general dividend exemption, contained in paragraph (aa) of section 10(1)(k)(i) of the Income Tax Act) because such qualifying distributions are distributed by a REIT. These qualifying distributions are however exempt from dividends withholding tax in the hands of SA tax resident shareholders, provided that such shareholders provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated shares, or the company, in respect of certificated shares:
  - a declaration that the dividend is exempt from dividends tax; and
  - a written undertaking to inform the CSDP, broker or the company, as the case may be, should the circumstances affecting the exemption change or the beneficial owner cease to be the beneficial owner,

both in the form prescribed by the Commissioner for the South African Revenue Service. Shareholders are advised to contact their CSDP, broker or the company, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the dividend, if such documents have not already been submitted.

- qualifying distributions received by non-resident Equites shareholders will not be taxable as income and instead will be treated as ordinary dividends which are exempt from income tax in terms of the general dividend exemptions per section 10(1)(k)(i) of the Income Tax Act. Any qualifying distributions received by non-residents from a REIT will be subject to dividends withholding tax at 20%, unless the rate is reduced in terms of any applicable agreement for the avoidance of double taxation ("**DTA**") between South Africa and the country of residence of the shareholder. Assuming dividends withholding tax will be withheld at a rate of 20%, the net dividend amount due to non-resident shareholders is 62.70283 cents per share. A reduced dividend withholding rate in terms of the applicable DTA, may only be relied upon if the non-resident shareholder has provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated shares, or the company, in respect of certificated shares:
  - a declaration that the dividend is subject to a reduced rate as a result of the application of a DTA; and
  - a written undertaking to inform their CSDP, broker or the company, as the case may be, should the circumstances affecting the reduced rate change or the beneficial owner cease to be the beneficial owner,

both in the form prescribed by the Commissioner for the South African Revenue Service. Non-resident shareholders are advised to contact their CSDP, broker or the company, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the dividend if such documents have not already been submitted, if applicable.

Shareholders are advised that in electing to participate in the dividend reinvestment alternative, pre-taxation funds are utilised for the purposes and that taxation will be due on the total cash dividend amount of 78.37854 cents per share.

Other information:

- The issued ordinary share capital of Equites is 709 696 393 ordinary shares of no par value each before any election to reinvest the cash dividend.
- Income Tax Reference Number of Equites: 9275393180.

This cash dividend or the dividend reinvestment alternative may have tax implications for resident as well as non-resident shareholders. Shareholders are therefore encouraged to consult their professional advisors should they be in any doubt as to the appropriate action to take.

A worked example illustrating the tax implications for resident and non-resident shareholders will be announced as part of the finalisation information on SENS by 11:00 (SA time) on Tuesday, 12 October 2021.

## 6. LISTING OF NEW EQUITES SHARES

Application will be made to the JSE for the maximum possible number of shares to be issued in terms of the dividend reinvestment alternative to be listed with effect from the commencement of trade on Friday, 22 October 2021. A further application will be made to the JSE to adjust the maximum number of new shares listed to take into account the actual number of shares issued to shareholders on or about Friday, 29 October 2021.

## 7. FOREIGN SHAREHOLDERS

The distribution of this circular and/or accompanying documents and the right to elect shares under the dividend reinvestment alternative in jurisdictions other than SA may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. The shares have not been and will not be registered for the purposes of the election under the securities laws of the United Kingdom, European Economic Area, Canada, United States of America, Japan or Australia and accordingly are not being offered, sold, taken up, re-sold or delivered directly or indirectly to recipients with registered addresses in such jurisdictions.

## 8. EXCHANGE CONTROL

In terms of the Exchange Control Regulations of South Africa:

### 8.1 in the case of certificated shareholders:

- any share certificate that might be issued to non-resident shareholders will be endorsed "non-resident";
- any new share certificates and cash dividend payments based on emigrants' shares controlled in terms of the Exchange Control Regulations will be forwarded to the authorised dealer in foreign exchange controlling their blocked assets. The election by emigrants for the above purpose must be made through the authorised dealer in foreign exchange controlling their blocked assets. Such new share certificates will be endorsed "non-resident"; and
- cash dividend payments due to non-residents are freely transferable from South Africa. In respect of all non-residents of the common monetary area (collectively the Republic of South Africa, the Republic of Namibia and the Kingdoms of Lesotho and Swaziland), the cash dividend payments due will be sent to the registered address of the shareholder concerned or in accordance with instructions given to the transfer secretaries;

### 8.2 in the case of dematerialised shareholders:

- any shares issued to emigrants from the common monetary area and all other non-residents of the common monetary area, will be credited to their CSDP or broker's account and a "non-resident" annotation will appear in the CSDP or broker's register;
- any cash dividend paid to emigrants from the common monetary area, will be credited to their CSDP or broker's accounts which will arrange for the same to be credited directly to the shareholder's blocked Rand account held by that shareholder's authorised dealer and held to the order of that authorised dealer; and
- any cash dividend paid to non-resident shareholders who are not emigrants from the common monetary area, will be credited directly to the bank account nominated for the relevant shareholders, by their duly appointed CSDP or broker.

Non-resident and emigrant dematerialised shareholders will have all aspects relating to exchange control managed by their CSDP or broker.
