## ATTACQ RECYCLES CAPITAL – REST OF AFRICA RETAIL INVESTMENT

---

Attacq is pleased to announce that AttAfrica Limited (“AttAfrica”), in which it owns a 31.8% stake, has concluded an agreement to dispose of its interest in Achimota Retail Centre (“Achimota”), Ghana.

The sale price for the disposal of Achimota is in line with Attacq’s carrying value of its effective share in the mall as at 31 December 2018. Attacq will use its share of the disposal proceeds to reduce its rand denominated debt.

Subject to finalisation of certain terms, the disposal of one other African retail property is expected to be concluded soon. Once these terms are finalised, the transaction will be announced in due course. Attacq will continue to pursue disposals of its Africa retail investments in an orderly manner over time.
