CIRCULAR TO SHAREHOLDERS

1. INTRODUCTION AND BACKGROUND

- 1.1 The Proposers delivered the Proposers' Notice to the Company demanding that the Company calls a meeting of Shareholders for the purpose of considering and voting on the Proposers' Resolutions, set out in the Notice of General Meeting.
- 1.2 In terms of section 61(3) of the Act read with the MOI, the Board must call a Shareholders meeting if one or more written and signed demands for such a meeting are delivered to the Company, and each such demand describes the specific purpose for which the meeting is proposed, and in aggregate, demands for the same purpose are made and signed by the holders of at least 10% of the voting rights entitled to be exercised in relation to the matter proposed to be considered at the meeting.
- 1.3 The Proposers have confirmed to the Company that they are the duly authorised representatives of certain beneficial Shareholders that hold in excess of 10% of the voting rights capable of being exercised in relation to all of the resolutions sought to be tabled and voted on at the General Meeting. This Circular is delivered and the General Meeting is convened in order to comply with the Company's obligations to do so, in terms of section 61(3) of the Act read with the MOI.

2. MATTERS TO BE CONSIDERED AT THE GENERAL MEETING PURSUANT TO THE PROPOSERS' NOTICE

- 2.1 The Proposers have, in the Proposer's Notice, demanded that the Proposers' Resolutions be tabled at the General Meeting for the consideration of, and, if appropriate, the adoption by Shareholders.
- 2.2 The Proposers are proposing that each of the five Concerned Directors be removed as a non-executive director of the Company. The removal of each of the Concerned Directors will require the adoption of an ordinary resolution to that effect at the General Meeting.
- 2.3 If and to the extent that any Concerned Director is so removed, the Proposers have proposed that such removed Concerned Director be nominated for re-appointment as a non-executive director of the Company. The re-appointment of each of the Concerned Directors that has been so removed will require the adoption of an ordinary resolution to that effect at the General Meeting.
- 2.4 Moreover, the Proposers have nominated four persons, being the Proposers' Nominees, for election as non-executive Directors of the Company. The election of each of the Proposers' Nominees will require the adoption of an ordinary resolution at the General Meeting.
- 2.5 In the Proposer's Notice they have sought to limit the total number of directors to be elected pursuant to the Proposers' Resolutions to four directors. However, the Company does not believe that such limitation is competent, and accordingly each of the Concerned Directors and Proposers' Nominees whose election is approved by an ordinary resolution at the General Meeting, will be elected to the Board.

3. VIEWS OF THE EXECUTIVE MEMBERS OF THE BOARD

- 3.1 The executive members of the Board, who comprise all Board members other than the Concerned Directors, are of the view that Shareholders should vote against the resolutions to remove the Concerned Directors and against the resolutions to appoint the Proposers' Nominees.
- 3.2 The Company is a unique company with a distinctive background. It was initiated as a community-based broad-based black economic empowerment company, and was built up from grass-roots level. Although the Company has since been listed on the JSE and is open to all investors, it remains true to its roots as a community-based broad-based black economic empowerment company. This means, *inter alia*, that smaller community-based Shareholders are as important as and have an equal voice to larger institutional Shareholders, and that the strategy and decisions of the Company are still informed by one of its founding principles, namely to create long-term value and investment returns for its Shareholders.
- 3.3 The Concerned Directors have all been elected to office time and again with overwhelming Shareholder support, some of them as recently as at the last annual general meeting of the Company. Many of them come from the original community constituencies which formed the original investor base of the Company and which are still investors in the Company, and they are exponents of the ethos and principles of the Company.
- 3.4 The Concerned Directors are highly qualified and respected members of the community and have served as directors of the Company loyally and, in our view, competently for many years, and in some instances since the inception of the Company.
- 3.5 Due to their long-standing involvement with the Company, the Concerned Directors are intricately familiar with the affairs of the Company and its subsidiaries. Each of them has a unique skill, experience and perspective, and contributes to the Company in a unique and very valuable way.
- 3.8 The Concerned Directors have been party to the development of and have overseen the implementation of the current strategy of the Company, which has seen it diversifying into the food and manufacturing sectors, so as to be less dependent on the gaming industry. The strategy also encompasses controlling and operating assets as opposed to being minority shareholders in assets. This is a long-term strategy, the implementation of which is well under way, and the fruits of which will in due course be shared by patient long-term investors. Whilst embarking on this transformation, the Company has continued to reward its shareholders with consistent dividends.
- 3.9 In the event that the Concerned Directors are removed and all the Proposers' Nominees are installed in their place, a small but vociferous group of shareholder representatives, some of whom are not even shareholders themselves, and whose incentives are not necessarily aligned with those of the broad base of long-term shareholders, will in effect have obtained control of the Board and will be able to implement whatever their agenda may be. This may include altering the strategy and making changes to the executive team.
- 3.10 The Board firmly believes in the current strategy of the Company and is concerned that the implementation thereof should not be disrupted and that the Concerned Directors should continue to be trusted with overseeing such implementation.
- 3.11 Some of the Company's businesses are regulated by national and provincial gaming authorities. The Concerned Directors have all complied with the very stringent probity requirements of the national and provincial gaming authorities. It is not yet clear whether or not the Proposers' Nominees will be able to comply with these probity requirements. A failure to do so could have adverse consequences for the Company.
- 3.12 Following receipt of the Proposers' Notice, and having regard to potential uncertainty regarding the practical implications which the existence of probity requirements may have on being elected and/or serving as a director of the Company, the Company engaged with the JSE in order to determine a suitable date by which this Circular had to be dispatched to Shareholders. This Circular is being dispatched in accordance with the final timeline set by the JSE. It has come to the Company's attention that the Proposers' representatives, or certain of them, approached the Western Cape Gambling and Racing Board to gain access to certain confidential information regarding the incumbent GPI directors. Such information was provided by the Proposers' representatives to the JSE in connection with its deliberation of and setting of the timeline. The Western Cape Gambling and Racing Board has subsequently confirmed in a letter to the Company that in obtaining the relevant information the relevant Proposers' representatives failed to follow the mandatory procedures prescribed by the applicable legislation for obtaining access to such confidential information and, as a result, the information accessed by the relevant Proposers' representatives and provided to the JSE was not properly obtained in accordance with applicable legislation. The matter is being investigated by the Western Cape Gambling and Racing Board. In this regard, the Company is seeking legal advice as to what steps (criminal and/or civil) may be taken against the Proposers and/or their representatives in connection with their unlawful conduct.
- 3.13 Those executive members of the Board who are Shareholders intend to vote against all the resolutions for the removal of the Concerned Directors to be voted on at the General Meeting.

4. **REPRESENTATIONS BY THE CONCERNED DIRECTORS**

In terms of the Act, each Concerned Director is entitled to be given a reasonable opportunity to make a presentation, personally or through a representative, to the General Meeting regarding his or her proposed removal. Each Concerned Director remains entitled to make such presentations to the Shareholders regarding his or her proposed removal, before or at the General Meeting.

5. **DIRECTORS' RESPONSIBILITY STATEMENT**

The directors, whose names appear on page 6 of this Circular, collectively and individually accept responsibility for the accuracy of the information contained in this Circular and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statements false or misleading, and that all reasonable enquiries to ascertain such facts have been made.

Mark Bowman (51) BCom (Wits), MBA (UCT)

Mark has spent the majority of his career with SABMiller in various leadership roles. Over the span of his career he managed ABI (the listed soft drinks division of SAB) in South Africa and in Poland he was the managing director for Kompania Piwowarska a successful part of the SABMiller CEE business.

ABI (2003-6), the largest Coke bottler in Southern Africa with over 5000 staff, was listed at the time Mark was appointed managing director. The share price more than doubled in the period he was there until the de-listing of the business in 2006. Over this period volumes grew in high single digits but EBIT grew in double digits to \$200m with EBIT margin moving from 13% to 20% over the period – a record high in the global coca-cola bottling system. The key driver of this growth was a relentless focus on executing brands in every corner of the country from large retailers, down to the smallest rural spaza shop.

Poland – Kompania Piwowarska, similar in size to ABI, was SABMiller's flagship business in Europe with established brands now rejuvenated post the end of communism was Mark's next posting. He led the business for 2 years from early 2006 to the end of 2007 and drove a period of strong volume and earnings growth focusing on targeted brand building and market development. Over the period, market share moved from 40% to 46% taking SABMiller to market leadership in a very competitive environment. EBIT CAGR was strong double digit with \$400m achieved in 2007 – a record level supported by strong margin improvements.

From 2007 until his departure in late 2016, Mark managed SABMiller Africa – a diverse and rapidly growing portfolio that included beer, spirits and soft drinks in 18 markets with a staff compliment of over 22 000 people, and a partnership with the Castel group in francophone Africa (a further 21 markets). In the latter years, the South African operations were added to his portfolio, a total African business of over \$10bn in revenue, and \$2.8bn in EBIT, which represented a third of group earnings. The African portfolio has consistently shown strong double digit earnings growth over the period.

His experience lies in growing FMCG businesses in Africa, South Africa and developing markets; he has a good feel for building brands, teams and effective supply chains. Much of his work involved strategy formulation and execution, M&A, and cost optimisation through investing in process innovation and the establishment of service centres for procurement, treasury and tax.

As a result of his role he has travelled extensively in the continent and is familiar with many of the different business dynamics and nuances of the countries and the region.

He is an Afro-optimist believing strongly in the potential of Africa and South Africa, and the role of business in helping to develop the full potential of the continent.

Mark is a non-executive director of Tiger Brands, Dischem, Mr Price and Distell. He variously also sits on the remuneration committee, audit and risk committee and investment sub-committee of these boards.

He's strengths include:

- analysis and distillation of key issues and opportunities to create actionable strategy;
- team building/leadership identification and support;
- market development, brand building, trade marketing;

Ronel van Dijk (46)
B Rek (Hons) (USB), CA(SA)

Ronel joined Spur in January 2003 in a newly created position of Financial Manager. The main purpose of her appointment was to introduce more structure into the finance department and to bring the tax of the group up to date.

Shortly after joining the group she was promoted to chief financial officer and company secretary. She was also appointed to the board of directors of Spur Corporation Limited in September 2006.

Her passion is leadership development and researching and learning about how a leader can engage with those individuals in her sphere of influence. She sees herself as a leader who is there to support her people and provide them with all the tool and opportunities to perform well. She is good at working on the business and do not see her role as working in the business. Ronel sees the work of leadership as working on herself (leadership training, retreats, books, TED talks), working on her team (coaching, training, development) and working on her business (strategic initiatives, new business, support).

Ronel's responsibilities during her tenure at Spur included:

- Finance and administration;
- Accounting and internal controls;
- Financial reporting;
- Taxation;
- Corporate governance and risk management;
- Investor relations;
- Legal/legislative;
- Information technology;
- Supervision of general office administration and resource management in the Dutch office;
- Designed and implemented the legal structure of the Australian business, taking cognisance of tax, legal and operational requirements;
- Designed and implemented the legal structure of the UK business, taking cognisance of tax, legal and operational requirements;
- Financial performance of the Africa business;
- Marketing;
- Strategy development;
- Human resources;
- Founded the Spur Foundation, the group's corporate social investment initiative.

Ronel served on the following committees:

- Executive committee;
- Risk management committee;
- Transformation committee;
- Human resources committee; and
- Spur Foundation committee.

Before joining Spur, Ronel joined the then Arthur Andersen in January 1995 and completed her articles in 1997. During this time she was involved in a number of audit engagements, fraud investigations and due diligence assignments.

She was seconded to the firm's London office in 1998 where she supervised a number of external audit engagements and due diligence assignments.

She returned to the Cape Town office of Andersen in the position of audit manager and managed, *inter alia*, the following external audit engagements:

- Seardel – Head office and various divisions, including Prima Toys;
- Langeberg (a division of Tiger Brands); and
- Spur Corporation.

NOTES TO THE FORM OF PROXY

1. This form is for use by Certificated Shareholders and Own Name Dematerialised Shareholders whose Ordinary Shares are registered in their own names on the record date and who wishes to appoint another person to represent them at the General Meeting. If duly authorised, companies and other corporate bodies who are Certificated Shareholders or Own Name Dematerialised Shareholders may appoint a proxy using this form, or may appoint a representative in accordance with the last paragraph below.

Other Shareholders should not use this form. All beneficial holders who have Dematerialised their shares through a Central Securities Depository Participant (“CSDP”) or Broker, and do not have their shares registered in their own name, must provide the CSDP or Broker with their voting instructions. Alternatively, if they wish to attend the General Meeting in person, they should request the CSDP or Broker to provide them with a letter of representation in terms of the CSDP or Broker.
2. This proxy form will not be effective at the General Meeting unless received at the offices of the Transfer Secretaries at Rosebank Towers, 15 Biermann Avenue, Rosebank, 2196 (PO Box 61051, Marshalltown, South Africa 2107), not later than 10h00 on Monday, 29 October 2018, or handed to the chairman of the General Meeting, at any time before the appointed proxy exercises any Shareholder rights at the General Meeting.
3. This proxy shall apply to all the Ordinary Shares registered in the name of Shareholders at the record date unless a lesser number of shares are inserted.
4. A Shareholder may appoint one person as his proxy by inserting the name of such proxy in the space provided. Any such proxy need not be a Shareholder of the Company. If the name of the proxy is not inserted, the chairman of the General Meeting will be appointed as proxy. If more than one name is inserted, then the person whose name appears first on the form of proxy and who is present at the General Meeting will be entitled to act as proxy to the exclusion of any persons whose names follow. The proxy appointed in this proxy form may delegate the authority given to him in this proxy by delivering to the Company, in the manner required by these instructions, a further proxy form which has been completed in a manner consistent with the authority given to the proxy of this proxy form.
5. Unless revoked, the appointment of proxy in terms of this proxy form remains valid until the end of the General Meeting even if the General Meeting or a part thereof is postponed or adjourned.
6. If:
 - 6.1 a Shareholder does not indicate on this instrument that the proxy is to vote in favour of or against or to abstain from voting on any resolution; or
 - 6.2 the Shareholder gives contrary instructions in relation to any matter; or
 - 6.3 any additional resolution/s which are properly put before the General Meeting; or
 - 6.4 any resolution listed in the proxy form is modified or amended, the proxy shall be entitled to vote or abstain from voting, as he thinks fit, in relation to that resolution or matter. If, however, the Shareholder has provided further written instructions which accompany this form and which indicate how the proxy should vote or abstain from voting in any of the circumstances referred to in 6.1 to 6.4, then the proxy shall comply with those instructions.
7. If this proxy is signed by a person (signatory) on behalf of the Shareholder, whether in terms of a power of attorney or otherwise, then this proxy form will not be effective unless:
 - 7.1 it is accompanied by a certificated copy of the authority given by the Shareholder or the Shareholder to the signatory; or
 - 7.2 the Company has already received a certificated copy of that authority.
8. The chairman of the General Meeting may, at his discretion, accept or reject any proxy form or other written appointment of a proxy which is received by the chairman prior to the time when the General Meeting deals with a resolution or matter to which the appointment of the proxy relates, even if that appointment of a proxy has not been completed and/or received in accordance with these instructions. However, the chairman shall not accept any such appointment of a proxy unless the chairman is satisfied that it reflects the intention of the Shareholder appointing the proxy.
9. Any alterations made in this form of proxy must be initialed by the authorised signatory/ies.
10. This proxy form is revoked if the Shareholder who granted the proxy:
 - 10.1 delivers a copy of the revocation instrument to the Company and to the proxy or proxies concerned, so that it is received by the Company by not later than when the appointed proxy exercises any Shareholder rights at the General Meeting; or
 - 10.2 appoints a later, inconsistent appointment of proxy for the General Meeting; or
 - 10.3 attends the General Meeting in person.
11. If duly authorised, companies and other corporate bodies who are Shareholders of the Company having shares registered in their own name may, instead of completing this proxy form, appoint a representative to represent them and exercise all of their rights at the General Meeting by giving written notice of the appointment of that representative. This notice will not be effective at the General Meeting unless it is accompanied by a copy of the resolution/s or other authorities, and is received by the Company prior to the commencement of the General Meeting.
