Results of offer and pricing of offer shares

1. Introduction

Investors are referred to the intention to list announcement released by Transaction Capital on 10 May 2012 and the subsequent offer for subscription by Transaction Capital and an offer for sale by the Selling Shareholders in terms of a Pre-listing Statement dated 21 May 2012, to selected institutional and invited investors in South Africa and selected institutional investors in other jurisdictions, and an offer for subscription, to employees of the Group, subject to certain conditions, to whom the Offer was specifically addressed. The minimum offer comprised 50 million new shares, 25 million secondary shares and 11.25 million Overallotment shares. Demand resulted in the secondary offer being increased to 39 million shares and the Overallotment being increased to 13.35 million shares.

The Offer was not an offer to the public as contemplated in the Companies Act and accordingly no prospectus was or will be issued or registered in respect of the Offer.

The Offer remains conditional upon the Listing of the Offer Shares on the securities exchange operated by JSE Limited ("JSE") failing which the Offer and any acceptance thereof shall not be of any force or effect and no person shall have any claim whatsoever against the Company, Selling Shareholders, the Bookrunner or any other person as a result of the failure of any condition. If the Directors in their discretion determine, the Company shall not be obliged to proceed with the Offer but reserves the right to do so.

The Offer was not made, and the Offer Shares were not offered nor will they be sold, in the United States of America. Accordingly, the Offer Shares have not been and will not be registered under the U.S. Securities Act, or with any securities laws of any state of, or other jurisdiction in, the United States, and may not be offered or sold within the United States unless the Offer Shares are registered under the U.S. Securities Act or an exemption from the registration requirements under the U.S. Securities Act is available.

The JSE has granted Transaction Capital a listing in respect of the entire issued ordinary share capital of Transaction Capital in the "Speciality Finance" subsector of the "Financial Services" sector of the main board of the JSE under the abbreviated name "TRANSCAP", symbol "TCP" and ISIN: ZAE000167391, subject to the fulfilment of certain conditions. The Listing is expected to be effective from the commencement of business on 7 June 2012.

The Offer Shares will be issued in dematerialised form only and, accordingly, no physical documents of title will be issued or delivered to successful applicants. The Offer Shares will rank pari passu with all other Transaction Capital ordinary shares in issue.

2. Determination of offer price

The Bookrunner, after consultation with the Directors of Transaction Capital and the Selling Shareholders, has determined the Offer Price at R8.00. Among the factors considered by the Bookrunner in determining the Offer Price were:

- The prevailing market conditions;
- The demand for the Offer Shares;
- The prices at which investors made bids to acquire the Offer Shares during the bookbuilding process; and
- The desire to establish an orderly after-market in the Offer Shares.

3. The offer

The Offer comprised:

- an Offer for Subscription;
- an Offer for Sale; and

The results of the Offer are as follows:

Number of Shares which will be allocated	50 million Subscription Shares 39 million Sale Shares 13.35 million Overallotment Shares

The Offer remains conditional upon the Listing of the Offer Shares on the JSE. If the Directors in their discretion determine, the Company shall not be obliged to proceed with the Offer but reserves the right to do so.

4. Overallotment and stabilisation

In connection with the Offer, the Stabilisation Manager may in terms of the Securities Services Act over allot or effect transactions with a view to supporting the market price of the Offer Shares at a higher level than that which might otherwise prevail for period of 30 days after the Listing Date. However, there is no obligation for the Stabilisation Manager to do so. Such stabilising action, if commenced, may be discontinued at any time, provided two business days' notice is given to the JSE, but may under no circumstances continue beyond the 30th calendar day after the Listing Date.
